### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows: In line 3 of the amended paragraph beginning on page 6, line 3, of the specification, "116" has been changed to -128-; on page 6, line 20, of the specification, "122" has been changed to -128-.

### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The claims in this application have been allowed because the prior art does not disclose a method for making an opening in the bladder of an inflatable modular structure to receive a window as set forth in claim 1, the method including the steps of inserting a window outline template into an opening of a flexible restraint layer of the structure, inflating a bladder associated with a core of the structure, identifying a portion of the external surface of the bladder lying under the window outline template, deflating the bladder, removing the template, and removing the identified portion of the bladder.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
